

Keep Your Cash

Our *Lease To Own* option enables you to pay for your sign with a low monthly lease payment.

***Lease To Own* is available to any business, organization or municipality for any sign purchase over \$2000.**

Through a partnership with Midwest Leasing Group we offer our customers an alternative to the traditional "pay up front" way of purchasing your sign(s). Leasing conserves your valuable cash, working capital, and bank lines. *Lease To Own* is as simple as filling out a one-page credit application and making the first two payments*. At the end of the *Lease To Own* term, you will own the sign for \$1.

For further info on our *Lease To Own* program, contact us today at 800-640-8180 or by email at: info@ezsignsonline.com and we will have a friendly representative from MLG call you.

*MLG also requires payment of a documentation fee
